

SMBC Newsletter  
September 2015

Congratulations to all on making the first SMBC Summer Regatta such a great success and return to Leonardtown Wharf!

We learned a few things in the process and most importantly, you can't have enough help!

Over the next few months we will need members to take some of the exams such as Referee, Tech Inspector, Scorer, etc. The tests aren't that tough and are all based on the APBA general rules and Vintage and Historic rules. Thank heavens the Florida crew jumped in to serve at these posts, but it should also be our local members so that we know what to expect.

There is quite a bit of chatter about making 2016 a 2-day event but we are not there yet, and we need more boats dusted off and hitting the water.

We will keep you posted when and where the next meeting will be held and look forward to seeing you then.
